

Equity in your Coaching

Equity in Your Coaching will raise your awareness of equity issues and help you make your sport fair, open and accessible to everyone, regardless of ability, race and gender - this is what equity is all about.

Disabled people, ethnic minorities, women and girls experience discrimination on a regular basis. Everyone involved in sport has a responsibility to improve this situation - as a coach, you have an important role to play. Full guidance on best practice is given in this book.

This resource has been updated to comply with current legislation and the creation of the Commission for Equality and Human rights with additional case studies, scenarios and appendices.

The course will include the following sections:
